

2<sup>nd</sup> Sunday of Ordinary Time Year B

At Thanksgiving my son brought me a new cookie he'd found  
Oreo fudge crème – double stuff (drool)

**When you find something you really like, you want to tell someone & share it**

That is what happened to Andrew in today's Gospel

Andrew met Jesus – and it was much better than any cookie

NB – Andrew was a disciple of John the B

He was part of John's ministry

He'd been with John awhile

He was comfortable, confident in the ministry

Then one day John points at JC and says "Behold the Lamb of God"

Andrew looks at John, looks at JC, & decides to check Him out

So Andrew starts to follow JC and JC asks Andrew a question

"What are you looking for?"

How would you answer that question?

Andrew still doesn't know who this guy is yet

So, he spends the day with him (*and got a taste*)

What does Andrew do next?

"First, he found his brother Simon and tells him – we've found Messiah"

*Andrew gets a taste of Jesus and he's got to share it*

This is how the Good News is spread

Friends telling friends – brothers/sisters/neighbors

When we find a really good cookie - we tell others

When we find a new restaurant - we tell others

Shouldn't we be just as anxious to share Jesus!

It's time that we should all be excited about telling others about Jesus

Not 'old news' Good News – your personal witness - Do you have one?

Think about what you'd say - Be ready, be prepared – the opportunity to  
share your faith is coming

All of us can be like Andrew – All of us can share our experience with J

All of us can grow KOG – right here, right now
