

5<sup>th</sup> Sunday – Year C

INVITE KIDS UP

HAPPY LENT!! R U having a happy Lent?

Lent is a time to tell God we're sorry for anything bad we did & be forgiven - - JOY!

Did you know you can make angels sing and dance? You can!

Bible says "Angels rejoice over one sinner who repents"

RU Good or Bad? How many good?

Let me tell you a story –

I was the Deacon on an island that had no priest, and no deacon for 4 years!

So when we got there we began to taught them to get ready for 1<sup>st</sup> Communion

Before 1<sup>st</sup> Communion – 1<sup>st</sup> Penance – How many of you had Confession?

Confession is when we tell the priest anything bad we did & get forgiven – JOY!

All the adults here will go to Confession some time before Easter - RIGHT?

(WED 6:30)

Well anyway – we had a boy who was getting ready –

**Trying to steal an apple story – I'm trying not to – he was being tempted**

When you do something wrong how do you get forgiven?

(If I hit Alan what should I say – SORRY – that is what I do to make up for being bad)

I say SORRY – I get forgiven → Just like Confession

In today's Gospel a lady did something bad and got caught.

It was so bad all the people wanted to kill her.

The people bring her to JC – what should we do?

Jesus forgives her – tells her to go and sin no more

In Confession the priest does the same for us – forgives and says go and sin no more.

If WE love one another, we should forgive each other too

SO – I want you to be like the boy in my story

Fight the temptation to do evil and do good

And when you do a bad thing – ask for forgiveness

And make the angels dance
