

## Christmas B

### **Grandma's Goose**

Bobby & Sally

Slingshot

“Remember the Goose”

Already Forgiven

### **This is the way it is with us**

Satan throws our sins in our face

God waits for us to turn to him

Forgiveness already there

### **CHRISTMAS – the reason Jesus came**

God loves us so much he becomes one of us.

### **Friend with the aquarium**

Fish are afraid

If I only could become a fish

Jesus is born to embrace the beloved

Jesus is born – for Easter – Salvation!

As we go forward – let us praise and thank God for the babe

As we begin the journey towards Easter
